

# Work placements abroad all the year round

INTERNATIONAL BUSINESS SCHOOL - BACHELOR AND MASTER PROGRAMMES

*Take an experienced student over a 3-to-18 month period in your company. The student contributes directly to your company's activities, carries out assignments according to your needs and has a proactive approach to them.*

## His/her assets:

- courses taught in English,
- an international curriculum: International Strategic Management, Global Marketing economy, How to design a borderless organization, ...
- a cross-cultural environment thanks to student and faculty exchanges with about forty universities abroad.

## His/her business & managerial skills:

International Marketing, Field research, Import-Export, Communication, Networked computer systems, e-commerce, Financial administration, Management, Human Resources, Auditing, Consultancy...

*The company can integrate a student:*

- on a work placement agreement basis,
- on an employment contract basis,
- on a VIE basis (International Voluntary Service in Business).
